

ACSO Kris Sinclair Leadership Award Application

DESCRIPTION

The Kris Sinclair Leadership Award is given to an ACSO Organizational Member that demonstrates recent and measurable leadership initiatives by its staff and/or board in one or more of the following areas: finance, governance, staff development, audience development, education, or community engagement.

Applicants will be asked a series of questions to demonstrate how, through “above and beyond” efforts by staff and/or board, the organization has achieved recent, measurable successes in one or more of the following areas: finance, governance, staff development, audience development, education, or community engagement. Applicants will also be asked how the award funds will be used to invest back in the development of the organization's staff and board.

Applicant Organizations will be reviewed on the impact that their recent accomplishment had on the overall viability of their organization, in addition to a compelling case for the Organization's use of the award funds. Phone interviews with finalists may be requested. If you have any questions, please contact ACSO staff at 800-495-2276 or office@acso.org.

The deadline to apply is Friday, May 14, 2021.
